

NOTICE TO COMPETITORS #1

Saturday 9 December – Training

Training session will be from 1400 to 1700.

Fleets will be released in the normal way using the shore based flags – D over event flags starting from 14:00 provided sufficient registration has been completed.

To minimise congestion on the ramp the fleets will be released in the following order - times may vary depending on how long it takes to launch each fleet or on how many of that fleet are ready to launch.

420 and 29er - teams make their own arrangement about which sailor train first and the split of time on the water.

Nacra 15

RS:X

Laser Women

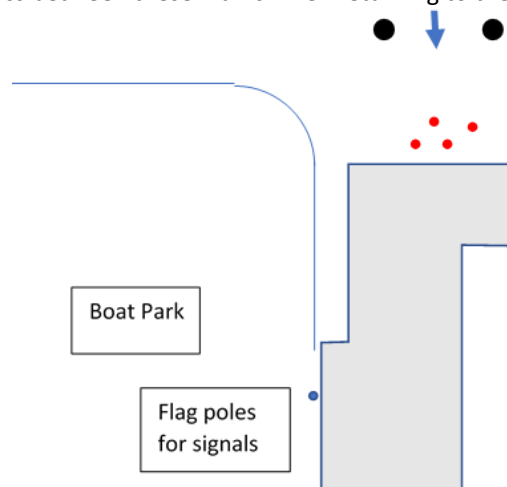

Laser Men

Training area. While the race committees will be conducting their own practice in their course areas please train on course area B. There is an optimist regatta on course area A.

Returning to the ramp. Sailors must pass between the marks as in the diagram below on their way back to the ramp. Entrance through the gate may be restricted to avoid congestion of the ramp. Please follow the instructions of the safety boats and wait to the north of the gate marks until instructed to proceed to the ramp.

Please be aware that there are rocks beyond the ramp indicated by the small red buoys. Please release rudders and withdraw centreboards before passing the small red buoys.

Pass between these marks when returning to the ramp
